

ESCMID

EUROPEAN SOCIETY
OF CLINICAL MICROBIOLOGY
AND INFECTIOUS DISEASES

Grant Acceptance Agreement

between

The European Society of Clinical Microbiology and Infectious Diseases (ESCMID)
Herewithafter named "ESCMID"

and

Gabriela Flores-Ramirez
Herewithafter named "Recipient"

Preamble

The parties shall agree upon provision of support by ESCMID of a scientific project as indicated below which was proposed by and is to be carried out by Recipient.

Description of Project

The project, Profile of the protein response in the process to tetracycline resistance by *Coxiella burnetii*, will require the following personnel:

GABRIELA FLORES RAMIREZ (researcher)

LUDWIT SKULTETY (researcher); Liana Ondrajková (PhD student)

ZUZANA SEKEYOVA (researcher)

MAKSYM DANCHENKO (researcher)

(indicate names and positions of personnel)

The project will be carried out at:

Institution Name: INSTITUTE OF VIROLOGY

Address: SAS, Dúbravská cesta 9

City: 84505 Bratislava

Country: Slovak Republic

Payment of financial support for the project

ESCMID shall pay 50% (EUR 10000) of the total ESCMID project support, EUR 20000, at the onset of project or by May 2014 whichever is later after receipt of the signed agreement from Recipient. Recipient will receive the second instalment of 50% from ESCMID after ESCMID receives the two final reports as indicated in the confirmation document.

Please provide your institutional bank details:

Beneficiary Name: INSTITUTE OF UIROLOGY
Beneficiary Address: SAS, DUBRAVSKA CESTA 9, 84505 Bratislava
Bank Name: ŠTÁTNÁ POKLADNICA
Bank Address: RADLINSKÉHO 32, 81005 BRATISLAVA
IBAN Number: SK 35 8180 0000 0070 0000 0862
BIC/SWIFT Code: SPSR SKBA

Schedule / Time limitation

The project shall start on 2/1/2014 and continue for a period of 14 months; completion date is 4/1/2015. The final report shall be submitted to ESCMID within 6 months of project completion.

Delays in project schedule shall be given to ESCMID in written format at the latest 3 months before scheduled project end. ESCMID will record the delay and adjust the timelines accordingly.

Intellectual Property / Publication / Presentation

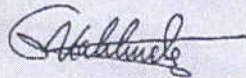

The recipient shall acknowledge ESCMID as a provider of financial support for the project in all scientific communication of the project outcome in the form of "This study/project has been funded by a Research Grant [year of grant] by the European Society of Clinical Microbiology and Infectious Diseases (ESCMID) to [initials of grantee]". ESCMID makes no further claims on the intellectual property gained in the project.

Breach and termination of Agreement

In the event of any breach of the Grant Acceptance Agreement by the Principal Investigator or Sponsoring Institution, ESCMID shall have the right to terminate the applicable Grant Acceptance Agreement and obtain a refund of the paid Grant Funds.

Applicable law and jurisdiction

Swiss law is applicable to this Agreement. The ordinary courts of Basel/Switzerland shall have exclusive jurisdiction for all disputes.
